## CATCH HIM!!

When some fine morning you wake up and find a sneak-thief (whom some  
shrewdly suspect to be in collusion with the clothing-dealer)

HAS SNATCHED YOUR OVERCOAT,

## Our Overcoat Department

WILL BE THE PLACE YOU WILL SEEK.

We have splendid ones at \$8, and grade them up to best imported goods; Satisfactory lined at \$35, just such as are made by Tailors for \$50.

Recollect, Our Prices are in Plain Figures.

## WE COURT COMPARISON,

AND WILL STAND UNDER EVERY ASSERTION MADE  
REGARDING

## OUR SUPERB STOCK

OF

## Children's Suits.

In this department can be found everything that the heart of the child and  
the mind of the mother can wish. We will quote no prices, for

we have every PRICE and QUALITY, and our

## LOW PRICES

CANNOT BE EQUALLED.

## BOYS' SCHOOL SUITS,

BRIGHT, NEW, AND STYLISH; NEAT, PLAIN, AND SERVICEABLE,  
made of pretty fabrics, which will wear well, and not show dust and dirt.

## Our Hat Department.

Our HAT DEPARTMENT has been a wonderful success; we might characterize it as an infantile phenomenon. And why? Because of our extremely low prices and pleasing styles. We buy directly of manufacturers and save jobbers' profits. Neither do we pay for a name. When you can buy a DERBY HAT for 88 cents that is usually sold for \$1.25, one for \$1.70 that brings \$2.50 elsewhere, another for \$1.90 that is generally marketed for \$3, the large sales in our HAT DEPARTMENT are accounted for.

## Furnishing-Goods Department.

Our ALL-WOOL SCARLET and WHITE UNDERWEAR for \$1 we estimate worth 50 PER CENTUM more, for we bought them at jobbers' rates from first hands before the recent advance. Should you wish better ones, our \$1.50 kind will suit you, we are sure, as well as any for \$2.50. Our story is by no means complete on UNDERWEAR, and we will have to resort to the methods adopted by some story-papers and ask you to apply with a continuation.

## NEXT WEEK

we shall entertain you on other topics. In the mean time we shall look to  
your visiting "HEADQUARTERS."

## OUR LOCAL AFFAIRS.

## THE MISSIONARY SOCIETY.

Chambers in the Constitution-Spirited Speeches  
From President Clergymen-Women's Board  
of Missions.

The Convention assembled yesterday morning at 9:30 o'clock in the Seventh-Street Christian church. Devotional services were conducted by Rev. W. J. Pettigrew, and related especially to the missionary spirit of Christ and His apostles.

At 10 o'clock the regular business of the Society was resumed. The report of the Committee on Church-Building Fund was read and adopted, and the Committee continued. The Board on Colportage reported progress. Following this came the report of the treasurer. The amounts raised during the year aggregated about \$4,000.

Some changes in the constitution having been suggested by the Board of Managers, the report was adopted with the exception of the suggested changes, which were deferred a year for further consideration. A noticeable event in the proceedings of the Convention was the granting of a request preferred by the Women's Board that they be permitted hereafter to have the Thursday of the Convention for the transaction of their own business, and that Thursday night be devoted to an address in the interest of their special work. This marked a new departure. Quite an animated and interesting discussion followed on various phases of church-work, special attention being given to the prayer-meeting and Sunday school. Rev. Dr. Hatcher and Professor Harris contributed to the discussion. Remarks were also made by Rev. W. J. Pettigrew, Rev. F. D. Power, Rev. D. A. Snow, Rev. E. R. Perry, Mr. E. L. Powell, and others.

At 3 o'clock the Christian Women's Board of Missions held their first public session. Mrs. C. F. W. Haskin, of Petersburg, presided with much grace and womanly dignity. After devotional exercises and introductory remarks by the president, the report of the corresponding secretary was read. The report showed a very decided growth in missionary spirit and activity among the Christian women of Virginia. There are ten auxiliary societies in the State, representing a membership of nearly 300. About \$300 was raised during the year.

A resolution was offered that the corresponding secretary be requested to prepare an argument and appeal to the women of the churches that their sympathies may be enlisted in the work. Short addresses were delivered by Rev. Messrs. Lobbinger, Power, Snow, Hensley, Culler, Spenser, and McLean. A collection followed for the benefit of the Christian Women's Board of Missions.

This was in many respects the best session of the Convention. A disposition to help these women, and the ladies themselves exhibited their own efficiency and adaptability for their work. In the evening an admirable address on "Foreign Missions" was given by Rev. A. McLean, of Cincinnati.

Quite a prominent feature of the Convention was the music, under the direction of Mr. J. N. Jones, during the night sessions, and Miss Alice Pollard at the day meetings. The singing of the Misses Grace and Julia Henning was much appreciated.

At the conclusion of Mr. McLean's address the Society adjourned. The various pulpits in the Baptist churches of the city will be filled by the visiting ministers to-day.

## BRIEFS AND PERSONALS.

An error occurred in our official report in that Mr. Starke is credited with only 339 votes at the Second precinct, Madison Ward, when he should have had 399 votes. This would make the aggregate vote in the city: Ellison, 7,632; Loveston, 7,562; Dunlop, 7,900; Patton, 7,740; Starke, 7,773; Carter, 7,746.

A temperance drama entitled "The Social Glass" will be played at Monticello Hall Tuesday night for the benefit of "Star of Hope" and "Trinity" Lodges of Good Templars.

The Henrico County Court meets to-morrow.

## Important Services.

The second week in November has long been observed as a week of special prayer for young men. The Young Men's Christian Association will observe the day by a meeting for young men at their rooms this afternoon at quarter-past 3, to be led by Rev. W. E. Evans, of Park Place Methodist church. There will also be special services under the direction of the Railroad Department of the Association, at Manchester station this afternoon, and in the Union-Station church to-night.

Last Sermon Before Conference. At the request of the Young Men's Christian Association, Rev. William H. Christian, of the Central Methodist church, Manchester, will preach a sermon this morning with special reference to the good of young men. To-night he will close his public ministrations of this Conference year, and he will preach a sermon in accordance with such an occasion.

In addition to his immense stock of sheet-music, he has added all the latest songs and piano-pieces that have become so popular in other cities. He states that his fall trade in pianos, organs, and music has doubled that of preceding years. Our readers will remember that his firm (Walter D.
